

A yellow helicopter is flying in the sky, positioned centrally in the lower half of the image. The background shows a savanna landscape with trees and hills under a cloudy sky. In the top left corner, there is a black silhouette of a rhino's head. To the right of the silhouette, the text 'Nkombe Rhino' is written in a large, black, handwritten-style font.

# Nkombe Rhino

## ABOUT

**Nkombe Rhino** is a South African Non Profit organisation that focuses on the protection of endangered species.

Our focus started on the frontline protection of Rhinos in the early 2000's and has since branched out to various endangered and threatened species.

By supporting conservation on the ground, from Anti poaching units to veterinarians and helicopter pilots, the knock on effect has been a positive contribution to the survival of many protected species.

# TEAM

The **Nkombe Rhino** team consists of key role-players, from the guys on the ground, in the air and the ones raising the funds and doing the admin..

From **Founder & Director** Joe Pietersen to his brother Willem on the **ground** to fellow **Director** Rowan Ferreira and the whole team that handles the moving parts of the various projects, the **Nkombe Rhino** team prides ourselves as one who get stuck in ad hands dirty.
